

All Net Proceeds of the GOAL Magazine Golf Outing plus Paint & Sip will benefit the Greater Latrobe Partners in Education Foundation and granted to the Autistic Support, Learning Support and Life Skills Classrooms in the Greater Latrobe School District.

A Message from GLPIEF...

Funds from the GOAL Magazine Golf Outing and Paint-N-Sip have allowed the Greater Latrobe Partners in Education Foundation (GLPIEF) to grant funds to Greater Latrobe School District (GLSD) for programming and equipment for the sensory rooms throughout the district.

What is a sensory room?

A sensory room is a therapeutic space with a variety of equipment that provides students with special needs with personalized sensory input. A sensory room and access to sensory equipment in the regular classroom helps these children calm and focus themselves so they can be better prepared for learning and interacting with others.

GLPIEF and GLSD are incredibly grateful for the community support for our students with special needs. Annually GLSD supports over 500 students ages 5 - 21 that have unique educational needs. GLSD offers specialized classrooms that provide autistic support, life skills support, and emotional support and the funds from this event have allowed teachers to purchase specialized sensory tools that address the unique needs of their students.

Thank you for helping students reach their academic GOALS!
